## Soaring Rooster

Red Wine COLUMBIA VALLEY

Let me introduce you to Charles, the alter ego of winemaker Frank Roth. Even as a young rooster, you could tell there was something different, something special, something amazing about Charles—most just call him “cocky”. By the age of 13 Charles knew he was destined for greatness. A Washington native, Charles landed in the Columbia Valley at Tagaris Winery. Since 2005 he’s proven to be dominant in creating premium Washington wines. If you don’t believe in the legend of Charles le Coq Montant, crack open a can of Soaring Rooster and let’s get “cocky”!
