Eliseo Silva, Vineyard Manager, is the brand's namesake, and clearly the man with the green thumb and golden sheers. Eliseo "Lee" Silva arrived in Washington State from Mexico at the age of 14 - the second youngest of 20 children.

Lee, through perseverance and diligence, has risen to become the Vineyard Manager for the Vineyards of Tagaris Winery - over 750 acres of vineyards in the Wahluke Slope and Columbia Valley appellations with the distinction of producing some of the most highly sought-after fruit in the state. Lee's success is most certainly a result of his intelligence, dedication, and hard work. Not to mention the fact that he's a darn nice guy.

ABOUT OUR ESTATE VINEYARDS AND WINES

Founder and visionary Michael Taggares planted the first of his award-winning estate vineyards, Arête, in Othello, Washington in 1983. Since then he has planted vineyards in some of the most sought after grape growing regions in the state. Three of these vineyards, located in the Wahluke Slope AVA, include Alice Vineyard (2004), Michael Vineyard (2008), and King Organics (2016), which includes organically-grown Cabernet Sauvignon, Merlot, Syrah and 28 other varietals.

Winemaker Frank Roth came to Tagaris in 2006. He trained under legendary Washington Winemaker Rob Griffin and Harry McWatters, the Godfather of the Canadian wine business. During his time at Tagaris Frank has become a premium winemaker, creating low intervention varietals and blended wines.

It is our passion to produce amazing food-friendly wines that showcase our award-winning grapes. Our wines should be enjoyed with good food and great company. Thank you for making us a part of your celebrations.
